GUIDE TO COMPLETING THIS FORM

NZCF prefix holders are required to be full financial members of NZCF to ensure the continuing use of their prefix during the calendar year.

Joint prefix holders must each be a full financial member of NZCF to enable the continuing use of their joint prefix. Should one joint owner not be a full financial member, the prefix becomes inactive until full financial membership is restored.

Family financial membership qualifies as full membership, but associate and junior memberships do not.

Full members are eligible to vote and to receive all rights, privilege and honours accorded under the NZCF constitution. Full membership is restricted to applicants whose primary place of residence is within NZ. Full financial membership is a prerequisite to being granted a NZCF prefix, to enable the continuing use of an existing NZCF prefix or to holding office within NZCF. Each full financial member is entitled to receive copies of Flash Cats Quarterly magazine.

Full members must be financial or life members of an affiliate club as a prerequisite of full membership with the NZCF.

Family Members

Family membership is restricted to two additional members per household aged 16yrs of age or older. A financial family member has all rights and privileges of full membership including the right to vote. Family members will not each receive an individual copy of Flash Cats Quarterly magazine.

Each family member must be a financial or life member of an affiliate club as a prerequisite of family membership with the NZCF.

Associate Members

Associate members have the same rights and privileges as full members except the right to vote, be granted or use an existing NZCF prefix or hold office. Financial associate members are entitled to receive copies of Flash Cats Quarterly magazine.

Junior Members

Restricted to applicants under 16yrs of age whose primary place of residence is within NZ. Junior members have the same rights and privileges as associate members.

Breed Section Membership

Each member is automatically eligible to apply to belong to one Breed Section as part of his/her membership fee. Any member may belong to additional Breed Sections to a maximum of 3 sections in total, by applying for membership and paying the additional fee.
